Dear Friend:

The Alpha Foundation of Howard County, Inc. (AFHC) was established in 2001 by the Alpha Phi Alpha Fraternity, Inc. - Kappa Phi Lambda (KPL) Chapter as a 501(c)(3) nonprofit organization to provide funding for the chapter's educational programs. Through community support and partnerships, we seek to provide academic enrichment to the youth in Howard County that further enables their success in postsecondary training and education, and ultimately, creates a clear pathway for life opportunity and success.

We hope you will join us by participating in our annual Golf Classic, which will be virtual this year. You can do so in one of four ways:

Sign up and participate as a golfer. The event is a two-person best ball scramble format. Grab your clubs and your favorite golf buddy and register at: <https://afhcgolf.org/register>. You can play any regulation course and submit your scores. The cost is \$100 for a two-person team. See the website for prizes and other details.

Become a sponsor for the event for \$250 per organization. This Sponsorship includes registration for one team (two golfers), a banner ad and a link to your company website for the golf tournament, placement on the AFHC and Golf Tournament websites which will provide exposure to several thousand golfers and prospective customers. Sponsors will also have the opportunity to place logoed items into the golf shoe bags the golfers will receive. To become a sponsor, go to: <https://afhcgolf.org/sponsors>.

Donate to the AFHC. We realize that not every person is a golfer, but you can still make an impact with a tax-deductible contribution. Please go to: <https://afhcgolf.org/donations>.

Like us on Facebook to help get the word out: <https://www.facebook.com/afhcgolf2021/> and feel free to post our marketing materials on your other social media platforms

Together, we can make this important event a success to serve the youth of Howard County

Sincerely,

Alpha Foundation of Howard County Golf Committee
